4. Secretariat Staff

For the period of September 2023–August 2024, the Secretariat was comprised of the following employees:

Executive Secretary	Brynhildur Benediktsdóttir
Deputy Executive Secretary and Senior Finance and Staff Administrator	Stan Goodick
Fisheries Management Coordinator	Jana Aker
Scientific Council Coordinator	Tom Blasdale (to March 2024)
Senior Executive Assistant to the Executive Secretary	Lisa LeFort
Fisheries Information Administrator	Mikaela Soroka (to November 2023)
Fisheries Information Administrator	Catherine Thompson (from January 2024)
Senior Scientific Information Administrator	Dayna Bell MacCallum
Senior Office Administrator	Sarah Guile
Senior IT Manager	Matthew Kendall
Database Developer/Programmer Analyst	DJ Laycock
Senior Publications/Web Manager	Alexis Pacey

5. Publications

During the period of September 2023–August 2024, the NAFO Secretariat issued the following publications:

- *Journal of Northwest Atlantic Fisheries Science, Volume 54, 2023*
- *NAFO Conservation and Enforcement Measures, 2024*
- *Meeting Proceedings of the Commission, September 2022–August 2023*

NAFO Scientific Council Reports, 2023 All publications and documents are available on the NAFO website: www.nafo.int/Publications

Other initiatives and work:

New visual identity for NAFO

In response to Recommendation #36 of the 2018 NAFO Performance Review, a new visual identity was adopted by NAFO at the 2023 Annual Meeting. The NAFO Secretariat worked intersessionally to create design assets for graphical use, such as documentation, web forums, displays and signs, etc.

The new visual identity for NAFO will be launched at the 2024 Annual Meeting.

FAO/ICES/NAFO Symposium “Applying the Ecosystem Approach to Fisheries Management in ABNJ”

The FAO/ICES/NAFO Symposium “*Applying the Ecosystem Approach to Fisheries Management in ABNJ*” will take place 11–13 March 2025 in Rome, Italy. The resulting papers will be published in the *Journal of Northwest Atlantic Fishery Science*.

The NAFO Secretariat will continue to work with the Deep-sea Fisheries Project Team (FAO), throughout 2024–2025 to prepare for the Symposium. For further details, please visit the EAFM Symposium website at: <https://eafm-symposium.nafo.int> or email: EAFMsymposium@nafo.int

Aquatic Sciences and Fisheries Abstracts (ASFA)

All science documents and publications for 2023 have been submitted to ASFA as of 30 May 2023. Other publications for the Commission have been indexed as well. FAO publishes a free online portal to display the records created and published in OpenASFA. The records can be viewed here: <https://www.fao.org/fishery/en/openasfa>

ProQuest/Clarivate, ASFA's publishing partner continues to publish ASFA records to their database. More information about ASFA is available at: <https://www.fao.org/fishery/en/asfa>

6. Fishery Statistics

The NAFO statistical databases are compiled by the NAFO Secretariat and published on the NAFO website <https://www.nafo.int/Data>. The STATLANT 21A database is continuously updated as new submissions are received.

7. Information Technology (IT)

Application Development

The Observer Reporting application is in development and is planned to be completed in late 2024. Development has started on the electronic Port State Control (e-PSC) application, which will be demonstrated to interest Contracting Parties in late summer 2024.

8. Staff Committee

The Secretariat would like to thank Ignacio Granell, Brian Healey, and Deirdre Warner-Kramer for serving on the Staff Committee for the 2023–2024 term. The Staff Committee was not required to meet during the past 12 months.

9. Second Performance Review of NAFO

NAFO continues to address the recommendations of the 2018 Performance Review and provides a progress report at each Annual Meeting.

10. Secretariat Activities

NAFO Internship Program

At the 2011 Annual Meeting, a NAFO internship program was adopted. Since then, thirteen interns have taken part in the program.

The funding for the internship program in 2024 was reallocated to support a contract to assist the Scientific Council with the testing of the revised Precautionary Approach Framework.

Outreach

Media

The Secretariat continues to circulate its annual press release to a dedicated NAFO media contact list. As per past years, a press release will follow the closing of the Annual Meeting.

Guests to the Secretariat

- 07 February 2024, visit to the NAFO Secretariat from President of Saint-Pierre et Miquelon, Bernard Briand, M. Jérôme Cecchetti, M. Fabrice Teletchea and M. Arnaud Poirier

Information Requests

The NAFO Secretariat regularly responds to requests from various international sources. Since the last Annual Meeting of NAFO, the Secretariat has responded specifically to:

- A pre-workshop survey regarding CITES Appendix II listed sharks and rays taken from areas beyond national jurisdiction (ABNJ) for the CITES workshop on non-detriment findings (NDFs) for specimens of Appendix-II species taken from ABNJ, 25-26 April 2024 in Geneva, Switzerland.
- A request from Food and Agriculture Organization (FAO) of the United Nations Fisheries and Aquaculture Division (NFI) regarding lost gear reporting requirements.
- Contribution to the report of the Secretary-General on oceans and the law of the sea, as mandated by United Nations General Assembly (UNGA) resolution 78/68 topic “*Sustainable fisheries management in the face of climate change*”.
- A request for a peer review of the United Nations Fish Stocks Agreement “*Implementation Guide*”.

Throughout the year, various informal requests are made to the Secretariat. by students, educational institutes, RFMOs, Contracting Parties or other organizations. These are answered to the best of the ability and as time permits by various members of the NAFO Secretariat.

Oil and Gas Activity in the NRA

Since the 2015 Annual Meeting, NAFO and Canada have operated under an interim information exchange arrangement as a means for the appropriate and timely exchange of petroleum-related activities on Canada’s continental shelf in the NAFO Regulatory Area for onward transmission to NAFO Contracting Parties.

Since the 2023 Annual Meeting, there have been two (2) such notifications.

Under this arrangement, and following consultation with Contracting Parties, the NAFO Secretariat has provided annually a ‘five-year monthly snapshot’ of fishing activity in the NAFO Regulatory Area based on aggregated and anonymized VMS data to Canada. Canada then forwards this information to specified users.

The NAFO Secretariat also receives industry Notices to Mariners when a drillship is expected to transit through the NAFO Regulatory Area (NRA). These Notices to Mariners are then forwarded to the Fishery Monitoring Centres (FMCs) of Contracting Parties.

Participation by Secretariat at external meetings

Aquatic Sciences and Fisheries Abstracts (ASFA) Advisory Board (Virtual) Meeting, 03–06 October 2023

Senior Publications/Web Manager, Alexis Pacey, attended the meeting virtually.

Deep-sea Fisheries under the Ecosystem Approach (Deep Seas Fisheries Project), First Project Steering Committee Meeting, 05–07 December 2023

Executive Secretary, Brynhildur Benediktsdottir, attended the meeting

International Symposium on strengthening the ocean science-policy interface hosted by the Division for Ocean Affairs and the Law of the Sea of the United Nations in collaboration with the IOC of UNESCO, Paris, France, 12–13 December 2023

Scientific Council Coordinator, Tom Blasdale attended the meeting.

FAO Committee on Fisheries (COFI36) 08-12 July 2024

Executive Secretary, Brynhildur Benediktsdottir, attended the meeting.

11. Financial Status Update

The NAFO budget for 2024 was set by the Organization at \$2,636,000 million representing a slight decrease of \$14,000 or 0.5% over the prior years budget.

The departure of the Scientific Council Coordinator early in 2024 resulted in a staff position being vacant while the recruitment process is underway. A direct savings of salary and benefits has stemmed from the vacancy however relocation costs for the outgoing and the future incoming international staff member have offset any salary savings.

Costs associated with hosting an annual meeting in Halifax continue to evolve with the limited availability of suitable venues, ongoing inflation, additional audio/visual equipment and technical support required for hybrid meeting formats, etc. It's anticipated that current year costs may exceed the approved budget by \$21,000.

Overall expenditures for 2024 are projected to come in approximately \$22,000 over the approved budget (see page 7 - Statement I of the Financial Statements).

Contributions billed to NAFO Contracting Parties for 2024 totaled \$2,135,566 as shown in the Statement of Contributions Due from Contracting Parties for the 2024 Financial Year (see page 11 - Statement V of the Financial Statements). The NAFO Convention (Article IX.2) establishes a four-part cost sharing formula, including a proportion based on the nominal catches in the Convention Area.

As of 20 August 2024, membership contributions totalling \$91,244 are currently outstanding from one Contracting Party (see page 09 - Statement III of the Financial Statements).

Provisions for the Accumulated Surplus Account from the NAFO Financial regulations:

Rule 4.3 Monies available in the accumulated surplus account may be used temporarily to the extent necessary to finance appropriations pending receipt of annual payments by Contracting Parties.

Rule 4.5 The Standing Committee on Finance and Administration and the Commission shall review the amount available in the accumulated surplus account during each annual meeting. Insofar as possible, the Commission shall anticipate unforeseen expenditures during the succeeding three years and shall attempt to maintain the accumulated surplus account at a level sufficient to finance operations during the first three months of the year plus an amount up to a maximum of 10% of the annual budget for the current financial year for use in an emergency in accordance with Rule 4.4.

In addition, the Organization shall also maintain a recruitment and relocation fund to pay recruitment and relocation costs for incoming and outgoing internationally recruited staff. The recruitment and relocation fund balance shall be kept at a maximum of \$100,000.

In addition, the Organization shall also maintain a performance review fund to pay costs associated with having an external performance review. The performance review fund balance shall be kept at a maximum of \$100,000.

Rule 4.7 The Executive Secretary shall inform each Contracting Party of the annual contribution due in accordance with Article IX.3 of the Convention as soon as possible after the Commission has adopted the annual budget. In calculating the contributions, the Executive Secretary shall reduce the amount appropriated in the budget by the amount of staff assessments for the preceding year, if any, and by the amount determined by the Commission to be in excess of the needs of the accumulated surplus account.
