

Serial No. N7584

NAFO/COM Doc. 24-13
[Adopted]

46th ANNUAL MEETING OF NAFO - SEPTEMBER 2024

Review of NAFO CEM Article 7.12

The Commission reviewed Article 7.12 of the NAFO CEM, which is time sensitive, and agreed to the following updates:

Article 7 – Cod

Divisions 3NO – Interim Cod Conservation Plan and Rebuilding Strategy....

12. Ecosystem Considerations:

Considering the importance of capelin as a food source, consistent with the ecosystem approach, the moratorium on 3NO capelin will continue until at least 31 December ~~2024~~2025.
